30072013

I was not watching the market in the morning session. When I came market was drifting down. I expected a BOF at BRN 5800. But it came very late In hind sight analysis there were two nice signals. LOL BOF of BRN/IRH and BPB of PDL/IRL. I would not have taken these trades as I generally do not trade during announcements.

Hi,

The BOF trade today was similar to yesterday one, so took that trade but exited early before BRN , Booked partially at PDL & finally when nifty was taking support near 5825.

Nifty was making a Downward Channel also from 5850.

Thanks,  
Deven
