17042015

*This is an illustrative example of the concepts being discussed. Markings are just visualizations on historical data in hindsight analysis*  
Nifty opened near PDC and tried to move up. Did not take the BOF of PDC as BRN was close. missed the down move. Tried a long on BOF of PDL and it got rejected from BRN. Closed the trade at a small profit. then it was a BW type move around PDL. Missed the last down move as there was no clear pattern
