It is good, content wise.

It can be excellent,

-if search option for an article was provided

- if search for my own comments are there, so that I can track for other's response

Hope you will take my feedback in the positive sense.

ST,

Being a P&F chartist, I invariably work on price action. Most of your fundas work in bigger time frame also!

You taught me many things! Keep up the good work.

Only day-trading blog I've seen works on pure price action.

The Best!

Rajib

With regular updates after market hours its helps us to overcome many shortcoming in trading.

Hi ST,

To me, this is the best day trading blog ever - maybe because it is relevant to the markets that i trade.

Was out of touch with the blog for a month or so.
