## Thank You. All

The year 2013 is coming to an end. This year was an eventful one for me both personally and professionally. I am happy that I could nurture "Nifty Nirvana" well during the year despite many personal issues. The readership has really exploded. The book was accepted well by the readers it seems. More than 1500 downloads so far. Much more than my expectations.

The blog greatly helped in the evolution of the Decision Point method. Apart from that the blog provided me so many opportunities to interact with amazing people from around the world which include many well known traders. At the moment I would like to thank all the readers of Nifty Nirvana. I am very grateful to you for supporting this blog and contributing your ideas.

I believe that I have in some small way made a contribution to the trading community that has given me so much. I assure you that I will strive to deliver valuable content consistently in future also. I pray for your continued support. Thank You All

Wish you all a happy and prosperous 2014

Sir,

Thank you so much for sharing your trading wisdom and lending a helping hand to aspiring traders, like me. I was totally frustrated after reading various books and studying many trading methodologies, as nothing worked for me. I had concluded that, it is absolutely impossible to do intra day trading.

My conclusion changed after seeing your blog. My first relief was that I need not study some more trading books till midnight.

To be honest, I am not able to make money on a consistent basis, even now. But I am not incurring losses either. Even when my trade fails, I am able to come out with barest minimum loss.

I strongly believe that I will also be able to earn regularly, like any other accomplished trader, soon, thanks to your blog.

The best thing to have happened to me from trading perspective in 2013 is NIFTY NIRVANA. In the absence of a better word, I can only say THANK YOU, SIR, for your services to trading community without expecting anything in return.

WISHING YOU AND NIFTY NIRVANA FAMILY A HAPPY NEW YEAR.
