## Feedback Please

Nifty Nirvana is six month old now. I would like to thank all of you for the overwhelming support. I am getting good response as comments and I always try to acknowledge and reply them as soon as possible.

Still ,I feel many of the readers are reluctant to post the comments. So I have created a small survey to get the feedback. It will not take much time . Please do spare a little time for me.I hope this will help me to improve .Kindly type your specific suggestions in the text box given after the last question.

Now please spend a few minutes and give your valuable suggestions and feedback. Thank You.

### *Quote of the Day*

Strategies are not something you can pick out of thin air and just make your own. It takes time. You have to suffer defeats and you hopefully will have a few wins. **Howard Lindzon**

Monkey is providing the facility for free whereas the other Homo sapiens charge for that.
