Another announcement day. Could not find any trading opportunities during the day with adequate space and good RR.. There were no trades worth taking. After the initial move it was a Barbed wire around PDH..After the announcement Nifty channeled for a while.. Again a Barbed wire around PDH for rest of the day.

Hi,

I took one trade in starting of the Channel as BPB of PDC, but scratched it at no loss. I want to know Do you check announcements for next day by News only or some specific sites?

Thanks,
Deven
