SS, We Salute You

Sunil Saranjame of timamo has just published a post on Gap ups. He has done a detailed and elaborate study on Gap up openings during the period November 2010 to April 2011. Read the original post [here](#)

Sir, I really appreciate your spirit, determination and hard work. I consider you as a role model who can guide us during our development

Many readers will not understand your comment. So let me quote the whole and explain the meaning

Ushtranamvivaheshu gito gayanti gardhabani.

Parasparamprashansayante, aho rupam, aho dhvani !!!!

Meaning

Its Camel's wedding ceremony and Donkeys are singing. They appreciate each other "wow.. how melodious!" and "wow... how beautiful !!"

Now I think others will understand what you meant. I could have deleted the comment, but published it as I wanted others to know how some of us think

If you can't appreciate hard work and sharing don't do it. But do not ridicule.

I just can't tolerate such behavior. Nobody has invited you for this wedding. Anyway, enjoy the feast and F@#K off

After a hard day trading it takes a lot of effort to provide the kind of data that SS is doing and that too just for the love of it.

Thank u ST and SS and also KPL for the expert comments.
