## Travel Break

I am on the move. I will be back on Friday the 16th. Take care and trade well  
Market may not be in control of the habitual day traders  
Do not expect decision points to work well

ST sir,

today you have to come back. but I can't say whether you have come back or not. today I have found 3 BRN among 4 DPs.

I had a good BPB set up where I could take a good short position but I did not take any trade today because, yesterday I was alerted through SMS by my broker to be a cautious activity. however if at this moment you are available please, check my chart and give your valuable comments.

Thanks

Puchu

Marked ones are good trades and they all went where they were supposed to go  
Only problem is with risk management
