30012013

Nifty opened within previous day range and consolidated within a 20 point range. Attempted a long trade on the second TST of PDC. Scratched it. Skipped the BOF of HOD as price refused to fall below the flip (or MC ?) for a long time

Hi Sir,
Do we enter on break of swing highs and lows for all the four patterns, viz, BOF, TST, FTC and BPB? Please show your exact entry point on this chart.
Also, do you make use of WRBs for trade entry/ management?

MS

Not always on break of a swing point
Depends on the FTA. If FTA is very near I enter on break of it
I do notice WRB as it can act as a range

Anon

WRB is Wide Range Bar
