Entey Hridayam niranja ashamskal.....

Thanks for sharing the knowledge.I have come across many people who charge a hefty amount to teach what they know.But,you opted to give it all free and i have seen you patiently replying to all the comments after market hours.That is the USP of this blog.

Keep sharing..Keep learning..  
Wishing the very best of everything for you and your family.

Silent Admirer.

Thanks.  
My life philosophy is very simple.  
Before Artha,Karma and Moksha comes Dharma which means we must proceed through the Dharmik way to achieve all these.

I ensure that I do not hurt anybody "intentionally" and always extend help if it does not hurt me.
