Trading the Illusions

Most of the traders are trying to trade the illusions. Once you understand the framework within which the price moves everything becomes clear. Defining the structure of the Market is the first step to trading consistency.

Sivaraman
All the trading methods are attempts to define the market structure. No body knows the reality. We are like blind men defining an elephant.

I have looked at the picture so many times... but today only I got the real picture ...I wonder did everybody got the real picture of it...
Superb , it is !!

@VK

Thanks

@senthil

That makes trading difficult for the majority.
