Nifty gaped down . FTC gave a short signal. But price did not fall as expected. BOF at DB was a disaster CT trade. The Pin bar and good volume trapped many. TST at a major swing low was a clear long signal . see the massive volume at the area..Another range day..

Jonak

To be frank. I have no Idea.

I do not follow Defty and don't look for conventional patterns. There are only 3 elements in my trading. Decision points, price acceptance and rejection.

My trading revolves around trader decision points. I try to trade the acceptance and rejection of price at these areas.
