There is a substantial risk of loss associated with trading Derivatives . Losses can and will occur. My methods will not ensure profits

Friday, March 2, 2012

# 02032012

Market opened within previous day range. Tested the previous swing high and sold. Wide range bar failed to extend and the BOF gave a long signal. Second trade BOF of HOD was a scratch. BOF of PDH gave an excellent opportunity. Last DB trade went to the range high as expected.

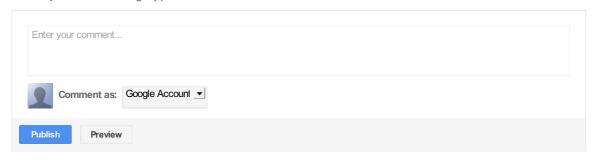

Watch layers of S/R. Breakout failure of these levels usually start a new trend.
