02052013

Nifty Opened within previous day range and moved up. BPB of PDH gave a long signal . TP at BRN 6000.Attempted another long on break of the tight trading range above BRN. Scratched this later. Skipped the BOF of HOD as I was not confident to attempt a counter trend short to the Big Big BRN

Nice. Took that BPB. But didn't exited at BRN. Had SI at 98, which never got updated, and closed around 3:15. Reply
